

Scholarship Program for Graphic Web Design Students

Introduction

Scholarship for Graphic Web Design students is announced each year by EZ Plumbing USA. This scholarship is offered to students with limited funds but who are intelligent and want to build a promising career in the field of graphic web design-ing. This scholarship is available for students in the USA, UK, Canada And Australia who are already pursuing a degree or full-time course in the field of graphic designing.

About

Students from the USA, UK, Canada And Australia can apply for a scholarship from the EZ Plumbing USA. This scholarship is introduced to meet the increasing demand for qualified workers in the field of graphic designing as well as to support skilled and talented students in the industry. This is a joint effort from the company and a major corporation.

Benefits

- ◆ The scholarship award students a fixed monetary sum, which students can use in order to support their tuition fees or any other expenses related to education.
- ◆ It gives students the complete freedom to submit work in their preferred subject.
- ◆ Winners of the scholarship can showcase the same in their resume, and hence, grab the opportunity to work with some of the reputed organizations in the industry.
- ◆ Students will have face-to-face sessions with industry experts and can gain more practical experience in the field.
